Eagle Flights

Introduction to Flight

For adults who have always wanted to fly, this is your chance for a FREE introduction with all you need to know to get started.

At 8 AM, you'll begin with an introductory ground school and safety orientation. You'll leave with information on how to proceed to obtain a pilot license. Following the session, a volunteer pilot will take you for a FREE introductory EAGLE flight!

EAA Eagle Flights are for adults who are serious about flying. EAA pilots volunteer as mentors to “*show you the way*”, based on your individual situation. If you want to learn to fly, don't miss it!
