AirVenture is almost here! I hope a lot of us get to attend. Please, take some pictures and share your experiences with us. There is so much to see and do. I hope to get emails from you so that we can share the good times in our newsletter.

From the President, Robert Richter-Sand (Bob)

Greetings to our Chapter Members. It's July and I suspect that at least a few of you will be heading to Oshkosh. If so, please take plenty of pictures so that Gwen can invite you to make a presentation for a future Chapter meeting. Kat and I won't be going this year due to a number of commitments to family and work and wish you safe travel and a great time.

LOEFI is rapidly approaching, so I'd like to make an appeal to consider (and deliver to any Board Member) your aviation related Fly-Mart donations. There is a shelf in our EAA storage container at KAEG that I've placed items for sale and there is room for more. Please look through your hangars, garages, and book shelves for items you can part with for donation. We typically make \$600 - \$800 for our scholarship fund from the Fly-Mart alone, but we need inventory.

We held a Chapter 179 Board of Director's meeting on 11 July and we will present the topics discussed at the 18 July Chapter meeting.

Kitfox N104Y is ready for air-worthiness inspection with the exception of some additional paper work that we need to complete. We're trying to work on completing that ASAP, but she's a bird ready to fly.

Bob Richter-Sand
EAA179 President

Speaker

The speaker at our July 19 Chapter 179 meeting will discuss AP training programs.

I am looking for a safety pilot to ride with Linda and I from KOSH to ABQ area in our C-182. I need about 8 more hours to prepare for the IFR check ride. We will be departing no later than Saturday from Airventure, possibly Friday if weather requires it. No fuel cost splitting. It's one way only. Contact me for details. 505-270-9987. a1tangen@hotmail.com

We Need Your Support for LOEFI!

Land of Enchantment Fly-In is just a few weeks away: August 26, 2017. Here are just a few of the positions we are still trying to have staffed:

- Local Transportation:** About 4 drivers that can assist folks getting in/out of the Bode Van
- Photographer:** At least one more person to take pictures of all the judged planes. Others to take general pictures and video of the event would be helpful. Harley will also be taking pictures.
- Builder's Corner:** Bob R-S and Randy Reimer will need some breaks throughout the day. A person that can come in and give them a break is needed.
- Welcoming Booth:** 2 hour shift, for about 16 people. See details in Public Welcoming.

Contact **Dan Horschel** if you can help with any of these tasks or **if you can help in any way**. His phone number is 505 271-9407 or at dhorschel@outlook.com.
