From the Editor, Harley Wadsworth

We managed to get a perfect day in May for our Young Eagles Event. We are in the windy season, so Todd must have some favor from above.

Lots of fun events ahead for the summer. AOPA is sponsoring a Fly-In at Santa Fe September 14-15. They are looking for volunteers. If you can help, see page 10 for the information.

Our Fly-In is August 25, and we are going to need lots

of volunteers for that as well, see flyer on page 9.

I enjoyed the fine recap of the Route 66 Air Tour by Dick Perry after our last chapter meeting. And Susy Reimer entertained us with her, humorous perspective on Randy's airplane project. If you are looking for a good time, try attending our chapter meeting. We would love to see you.

Young Eagles, May 5.

Urgent Call For Volunteers To Help AOPA with Santa Fe Fly-In September 14-15

Hi EAA 179 members and friends,

A team of area aviation contacts recently organized to jump start support for the AOPA Santa Fe Fly In on September 14- 15, 2018. Roger Smith of EAA Chapter 691 (Los Alamos / Santa Fe) and I participated. We need your help to demonstrate our aviation community's commitment to a successful New Mexico event. AOPA expects 3,000 to 6,000 participants, flying or driving in. It's more than city staff and KSAF FBOs can manage.

There are two urgent requests for anyone that can commit the time. *179 members: please realize how soon this follows our Land of Enchantment Fly in on Aug 25. We need you for LOEFI!*

Request #1 — Sign up ASAP to volunteer on site, starting Tuesday September 11th. There are a myriad of defined jobs and time slots for setup, takedown, and during the event. Go to: <https://www.aopa.org/community/events/aopa-fly-ins/2018-aopa-fly-ins/volunteer>

You'll be hot and tired by Saturday afternoon, but you'll know you gave back to both your fellow pilots and AOPA, which does so much to ensure our access to airspace, airports and a safe environment to fly in. Besides, it will be fun to meet other pilots and aviation enthusiasts!

Request #2: Participate in the Kick-Off / Orientation meeting with AOPA

9:00 - 10:30am Thursday, May 17th at the Santa Fe Convention Center

We need a strong showing of local aviation support for representatives of AOPA and the City of Santa Fe. The Convention Center is downtown and parking is available both on the street and directly under the facility. Access underground parking from Federal Place across from the main post office. The Convention Center is situated between Marcy, Grant, Lincoln and Federal. Please let local team coordinator, Elizabeth Hunke (eclare@cybermesa.com) know if you can attend the Thursday May 17 meeting.

Thanks! We're excited this terrific event is coming to New Mexico!
